Legend
- Red: Repaired Under USACE Contract B
- Yellow: Seepage Berm
- Blue: Slope Flattening
- Black: Stability Berm

Notes:
Information presented in this figure was taken from the following documents:
3. West Sacramento Levee System, Geotechnical Problem Identification: California (Kleinfelder, September 2007)
4. Preliminary Geotechnical Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
6. Hydraulic Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
Reach: Sacramento Bypass Levee

City of West Sacramento, CA
Levee Evaluation Program
Draft Alternatives Analysis

Alternative 3 (Recommended Alternative)

Legend
- Red: Repaired Under USACE Contract B
- Yellow: Cutoff Wall

Notes:
Information presented in this figure was taken from the following documents:
2. Phase 1 Geotechnical Evaluation Report: West Sacramento Region (DWR, November 2007)
4. Preliminary Seismic Evaluation: West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulic Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
City of West Sacramento, CA
Levee Evaluation Program
Draft Alternatives Analysis

Reach: Yolo Bypass Levee
Alternative 1

Legend
- Cutoff Wall
- Stability Berm

Notes:
Information presented in this figure was taken from the following documents:
2. Phase 1 Geotechnical Evaluation Report, West Sacramento Region (HDR, November 2007)
3. West Sacramento Levee System, Geotechnical Problem Identification, California (Kleinfelder, September 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulics Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
Figure 19

City of West Sacramento, CA
Levee Evaluation Program
Draft Alternatives Analysis

Reach: Yolo Bypass Levee
Alternative 2

Notes:
Information presented in this figure was taken from the following documents:
   (HDR, April 2008)
2. Phase 1 Geotechnical Evaluation Report, West Sacramento Region
   (DWR, November 2007)
3. West Sacramento Levee System, Geotechnical Problem Identification, California
   (Kleinfelder, September 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River,
   Reach 1 (Kleinfelder, June 2007)
5. Hydraulics Report for the City of West Sacramento Levee Alternatives Analysis
   (MBK Engineers 2007)
Reach: Yolo Bypass Levee
Alternative 3 (Recommended Alternative)
