Figure 21

City of West Sacramento, CA
Levee Evaluation Program
Draft Alternatives Analysis

Reach: Port North Levee
Alternative 1 (Recommended Alternative)

Legend

Flood Wall

Notes:
Information presented in this figure was taken from the following documents:
2. Phase I Geotechnical Evaluation Report, West Sacramento Region (DWR, November 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulic Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
City of West Sacramento, CA Levee Evaluation Program Draft Alternatives Analysis

Reach: Port South Levee

Alternative 1 (Recommended Alternative)

Notes:
Information presented in this figure was taken from the following documents:
2. Phase I Geotechnical Evaluation Report: West Sacramento Reach (DWR, November 2007)
3. Levee System, Geotechnical Problem Identification, California (Kleinfelder, September 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulics Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
Information presented in this figure was taken from the following documents:
2. Phase I Geotechnical Evaluation Report - West Sacramento Region (DWR, November 2007)
3. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, September 2007)
4. Preliminary Geotechnical Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulics Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
City of West Sacramento, CA
Levee Evaluation Program
Draft Alternatives Analysis

Reach: Deep Water Ship Channel
West Levee
Alternative 1 (Recommended Alternative)

Legend

Cutoff Wall
RipRap
Levee Raise

Notes:
Information presented in this figure was taken from the following documents:
2. Phase 1 Geotechnical Evaluation Report, West Sacramento Region (DWR, November 2007)
3. West Sacramento Levee System: Geotechnical Problem Identification, California (Kleinfelder, September 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulics Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)

Southern extent of mitigation measures not shown in figure.
Information presented in this figure was taken from the following documents:
2. Phase 1 Geotechnical Evaluation Report, West Sacramento Region (DWR, November 2007)
3. West Sacramento Levee System: Geotechnical Problem Identification, California (Kleinfelder, September 2007)
4. Preliminary Seismic Evaluation, West Sacramento Levee Assessment Sacramento River, Reach 1 (Kleinfelder, June 2007)
5. Hydraulic Report for the City of West Sacramento Levee Alternatives Analysis (MBK Engineers 2007)
