Water Slide

State regulations require that all riders be at least 48” or taller to use the water slide. The water slide is only open for use during designated times (refer to the current pool schedule).

Masks, goggles or glasses may not be worn while sliding.

T-shirts and swimwear with exposed zippers, buckles, rivets or metal ornamentation are not permitted.

Pregnant women and persons with heart conditions or back trouble should not ride the slide.

One user should be on the platform at a time.

Patrons must make sure the splash down area is clear before entering the slide.

Two patrons may go down the slides simultaneously (one rider per slide at a time). Patrons are not permitted to ride with children in their lap.

Patrons must wait for the Lifeguard’s start signal before starting the ride.

The slide must be ridden feet first, lying on your back or in a sitting position.

Hands and feet must be kept inside the slide at all times.

Diving into/off of, kneeling, changing positions, slowing down, stopping, forming chains or sliding down head first is prohibited at all times.
Patrons may only use the diving boards during designated recreational diving times. Patrons will be dispatched one diver at a time.

Patrons must mount the board by using the ladder/steps only.

Patrons should jump or dive straight off the board, not to the side or toward the wall.

Patrons must take-off from the board from the feet only (no handstands, cartwheels, or sitting take-off).

No flip, twists, gainers, can openers, or any other entry deemed unsafe by pool management.

Hanging on the board is prohibited.

One person on the board at a time.

One bounce on the board per dive.

All divers must go straight off the end of the board.

Divers must swim to the edge immediately after diving and exit the ladder.

Swimming is not allowed in the diving board area while the diving boards are in use.
The lap lanes are for lap swim only. Children 13 and under are not permitted without manager/lifeguard approval. Upon approval, parents must remain with their children.

A circular pattern will be used for lap swimming. Patrons should stay on the right side of the lane, swimming in counterclockwise direction.

Patrons that stop between lengths should sit on the side of the pool to avoid congestion.

Patrons should try to keep pace and maintain a reasonable distance between swimmers. Patrons continually passing or being passed, should consider moving to a different lane.

When passing, patrons should notify the swimmer in front and pass in the middle of the lane. Patrons should watch for oncoming swimmers.

Lanes are designed to accommodate up to six (6) patrons who are swimming laps in a circular pattern.

Kick boards and pull buoys are to be used for exercise training and organized programs and will be stored in the appropriate storage area when not in use.
