PROJECT: Southport Levee Drainage Improvements

Dear Southport Residents and Businesses near Linden Road, Sacramento Yacht Club, and Sherwood Marina Area:

T & S Construction will begin storm drain work on the above referenced project for the West Sacramento Area Flood Control Agency, starting October 21<sup>st</sup> and ending by December 31<sup>st</sup>. The construction will take place along Village Parkway near the Marina/Yacht Club access roads and at the end of the Linden Road cul-de-sac. Work is expected to be undertaken Mon-Fri from 7:00am to 4:30pm and possibly some Saturdays from 7:00am to 4:30pm. There will be some temporary lane closures, however access will be maintained to homes and businesses.

If you have any questions or concerns, please don't hesitate to call.

Thank you,

John Bravo
