

An aerial photograph of a utility pier. The pier is a vertical metal structure with a lattice-like pattern. At the top, there is a sign that says "WEST SIGN". The pier is surrounded by trees and a road. A red box highlights the sign, and another red box highlights the pier itself. A third red box at the bottom contains text describing the pier.

WEST SIGN

Pier

**Mill Street Pier**

Pier has electrical access, light posts and lit WEST sign at the end of the pier.
